More information

The screenshot shows a mobile application interface for 'STUDY APP'. At the top, there's a purple bar with the text 'Пройдено 4%' (Completed 4%). Below it, the category 'ЕГЭ' (Unified State Examination) is selected. The main title is 'Математика' (Mathematics), with a subtitle 'Группировка по задачам' (Tasks grouped by task). It shows '12 уроков' (12 lessons) and '64 задачи' (64 tasks). The navigation bar at the bottom includes 'Бесплатные тесты' (Free tests), 'Каталог курсов' (Course catalog), 'Помощь' (Help), and the user's name 'Михаил Двойняков' with a small profile icon.

Задание 1. Часть 1

Линейные уравнения

1.1. Простая задача

После обеда тебе нужно будет пойти на тренировку в тир. В тире 12 мишеней, на каждую из которых у тебя есть 3 выстрела. Возьми со штаба 2 обоины по 20 патронов. Сколько патронов у тебя останется?

Ответ: 22

Проверено Дальше
